

EMBSAY & BOLTON ABBEY

We are one of Britain's Heritage Railways and a registered educational charity. We run regular steam services throughout the year and lots of exciting special events: 1940s Weekend, Santa Specials, Halloween Specials and lots more besides! A journey on the multi award-winning Embsay & Bolton Abbey Steam Railway is an unforgettable experience for all the senses.

Take a Ride behind one of our vintage steam locomotives for a special journey back in time.

Breathe in the evocative smells of a real steam railway, while your eyes and ears thrill to the puffing and hissing of the steam engine. Settle back in beautifully restored Victorian and Edwardian carriages and enjoy a unique view of some of Yorkshire's finest countryside or hop off at Holywell Halt and just watch the trains go by!

For something a little extra special, try riding in our First Class saloons, or combine your trip with a Cream Tea, Afternoon Tea, Ploughman's Lunch or Cooked Breakfast served as you steam through the Yorkshire Dales. During the summer & autumn we also offer Evening Eats on our Dales Dining steam train: Wine & Cheese Tasting, Fish & Chip Specials and our famous Curry Express!

We will engage, enthuse and excite you. The sight and sound of powerful majestic steam engines, from the industrial workhorses of pits, collieries, docks and factory yards to the more glamorous locomotives which graced main lines all lovingly restored by our team of volunteers.

We've got vintage Edwardian carriages, Victorian Director's Saloons and original 1960's slam-door stock to ride in. We're proud of our re-built Bolton Abbey Station & the delightful Victorian features of the restored Embsay Station. The rural request-stop Holywell Halt is a wonderful place to picnic, whilst our traditionally-uniformed friendly staff will leave you with some enduring memories of a special day out.
