The Full Hoot Distillery Tour & Gin Tasting Evening

This is Gintertainment at its very best! A light-hearted, fun-packed adventure that you'll never forget.

Your experience begins with a warm welcome, followed by a Hooting Owl Signature gin.

You'll tour our distillery, learn about the distillation process and what makes Hooting Owl so special.

Our Master Distiller, storyteller and founder of Hooting Owl, Dom, will take you on a fun-filled gin adventure, known as the 'Tour de Yorkshire'. You'll discover the journey taken many years ago by Sir Owlfred Tyton Hodgins (The infamous Hooting Owl) when he created his discerning recipes. There'll be insights into the origins of the brand with a few eyebrow-raising stories thrown in for good measure.

Throughout your adventure there will be at least four stop-offs where, after gaining an understanding of how the botanicals influence each gin, your glasses will be charged with another of Sir Owlfred's artisan Yorkshire gins.

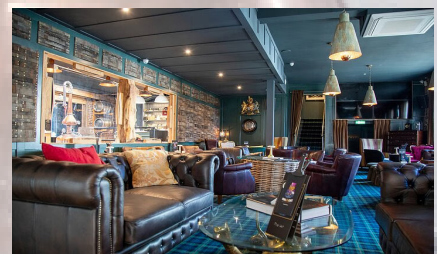

No worries if gin isn't your tippable of choice, we've got you covered, as we also distil a selection of vodkas and rums which you can sample instead.

In summary, there will be laughter, storytelling, adventures, award-winning gins, pizza and sharing platters, all under the roof of The Hooting Owl Distillery

You will finish with a drink of your choice from our range of 25 artisan spirits.

Once your adventure is complete you're welcome to stay with us and soak up the atmosphere. Our bar is open from 12pm to 11pm 7 days a week.

Then into our lounge bar to taste 4 more of our world-class gins whilst gaining an understanding of how the botanicals influence the flavours and, most importantly, how to maximise your next gin! All this wrapped up in a Hooting Owl tale.

The tour will finish with another full measure of your choice from The Hooting Owl range.

No worries if gin isn't your tippable of choice as we also distil a selection of vodkas and rums which you can sample instead.

Once your tour is complete, you're welcome to stay with us and soak up the
